

RATNESH SHUKLA

Senior Full-Stack Engineer | Aspiring Software Architect / Staff Engineer

Pune, India | +91 8180010403 | ratneshwork.it52@gmail.com | linkedin.com/in/ratnesh-it52

PROFESSIONAL SUMMARY

Full-stack engineer with 11+ years building and leading enterprise-grade applications across Banking, Finance, Healthcare, and E-commerce for Fortune 500 clients (JPMorgan Chase, Barclays, Lowe's). Deep expertise in Angular, React, Node.js, and microfrontend/SSR architectures, with a growing focus on scalable system design, cloud-native patterns, and integrating AI-assisted engineering practices into the SDLC. Known for translating ambiguous business requirements into resilient, maintainable architecture, and for mentoring engineering teams of 5-8 toward that standard.

CORE TECHNICAL SKILLS

Frontend	Angular 12+, React 16+, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3/SASS
State Mgmt	NgRx, Redux Toolkit, Redux, Context API
Backend	Node.js, Express.js, GraphQL, RESTful API design
Data	MongoDB, NoSQL data modeling
Architecture	Microfrontend Architecture, Microservices, Server-Side Rendering (SSR), System Design
Cloud	AWS (Certified Developer track), cloud-native application patterns
AI-Augmented Eng.	GitHub Copilot / LLM-assisted coding & code review, prompt-based test & documentation generation, evaluating GenAI tooling for team productivity
Quality & Tooling	Jest, Cypress, TDD, Webpack, ESLint, SonarQube, Git, JIRA
Leadership	Team leadership (5-8 engineers), Agile/Scrum, stakeholder management, code review governance

PROFESSIONAL EXPERIENCE

Senior System Analyst (Tech Lead track)Jul 2021 - Present

Pune, India | E-commerce, Healthcare, Banking

- Lead and mentor a team of 5-8 engineers, running architecture reviews and code-quality gates that cut production defects and improved delivery predictability across sprints.
- Architect enterprise React/Angular applications with modular, microfrontend-based structures, reducing cross-team coupling and enabling independent release cycles.
- Establish state management (NgRx/Redux) and engineering standards (ESLint, CI checks) adopted across multiple squads, raising code consistency and review throughput.
- Own end-to-end solution design for complex initiatives, from requirement analysis to delivery, aligning technical decisions with business and compliance objectives in banking/finance workstreams (bronze badge certifications).
- Piloted AI-assisted development workflows (Copilot-style tooling) within the team to accelerate boilerplate generation, unit test scaffolding, and code review turnaround.

ConsultantMar 2018 - Jul 2021

India | Banking, Finance, Telecom, Media

- Progressed from individual contributor to team lead across three major client engagements, taking ownership of technical solution design.
- Partnered directly with client stakeholders to translate business requirements into technical architecture, maintaining a 95%+ client satisfaction rating.
- Directed a development team on the final engagement, owning deliverable quality, timelines, and QA sign-off.
- Mentored engineers on frontend architecture and modern framework best practices, raising team delivery velocity.

Programmer AnalystMar 2016 - Mar 2018

India | Banking, Finance, Telecom

- Built responsive, enterprise-scale web applications within cross-functional agile teams.
- Developed early expertise in frontend architecture and design patterns that later underpinned team-lead responsibilities.

UI DeveloperFeb 2015 - Feb 2016

India

- Built dynamic user interfaces using HTML, CSS, JavaScript, and jQuery in a fast-paced product environment.

XML ProgrammerJan 2013 - Aug 2014

India

- Specialized in ePub creation using DTD programming for digital publishing workflows.

CERTIFICATIONS

- Full Stack Developer Certification - MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Full Stack Developer Certification - MEAN Stack (MongoDB, Express.js, Angular, Node.js)
- AWS Certified Developer - Associate
- Bronze Badges - Banking and Finance Domain

EDUCATION

Bachelor of Engineering, Information Technology

R.G.P.V. Bhopal, Madhya Pradesh, India | 2011

LANGUAGES

English: Fluent (Professional Working Proficiency) | Hindi: Native
